Total:	Total:	Total:	Total:	Grand Total:

Note: Students may not take 3000 level courses or higher until all necessary remedial work is successfully completed.

- Remedial courses do not count toward graduation. They do not count toward any requirements except completion of remediation.
- Remedial courses, if any are required based on your ACT scores, must be taken every semester until you pass them.
- Repeated courses only count once except when a class's catalogue course description specifies that it may be repeated.
- Courses that meet requirements in two different areas (such as when General Psychology counts toward both Social Sciences and your Psychology major requirements) should only be added once when figuring your total hours toward graduation.
- No more than 7 hours of D may meet liberal arts core (general education) requirements. No more than 30 hours with a grade of D may count overall.
- No hours with a grade of F count.
- A student who earned 60 hours of credit from all schools attended may not earn additional credit hours at a two-year institution.
